“Stock Price” means the price paid, or deemed to be paid, per share of the Common Stock in connection with a Change in Control as determined pursuant to Section 10.01(f).

“Subsidiary” means (i) a corporation, a majority of whose Capital Stock with voting power, under ordinary circumstances, to elect directors is, at the date of determination, directly or indirectly owned by the Company, by one or more Subsidiaries of the Company or by the Company and one or more Subsidiaries of the Company, (ii) a partnership in which the Company or a Subsidiary of the Company holds a majority interest in the equity capital or profits of such partnership, or (iii) any other person (other than a corporation) in which the Company, a Subsidiary of the Company or the Company and one or more Subsidiaries of the Company, directly or indirectly, at the date of determination, has (x) at least a majority ownership interest or (y) the power to elect or direct the election of a majority of the directors or other governing body of such person.

“TIA” means the Trust Indenture Act of 1939 as in effect on the date of this Indenture; provided, however, that in the event the TIA is amended after such date, TIA means, to the extent required by any such amendment, the TIA as so amended.

“Trading Day” means a day during which trading in the Common Stock generally occurs on the New York Stock Exchange or, if the Common Stock is not listed on the New York Stock Exchange, on the principal other national or regional securities exchange on which the Common Stock is then listed or, if the Common Stock is not listed on a national or regional

“Trading Price” of the Notes on any date of determination means the average of the secondary market bid quotations per \$1,000 principal amount of Notes obtained by the Trustee for \$5,000,000 principal amount of Notes at approximately 3:30 p.m., New York City time, on such determination date from three nationally recognized securities dealers the Company selects; provided that if three such bids cannot reasonably be obtained by the Trustee, but two such bids are obtained, then the average of the two bids shall be used, and if only one such bid can reasonably be obtained by the Trustee, that one bid shall be used. The Company will provide prompt written notice to the Trustee identifying the three nationally recognized security dealers selected by the Company. If the Trustee cannot reasonably obtain at least one bid for \$5,000,000 principal amount of Notes from a nationally recognized securities dealer, then for purposes of determining whether the condition to conversion of the Notes set forth in Section 10.0 (a)(2) has been satisfied, the Trading Price per \$1,000 principal amount of Notes will be deemed to be less than 98% of the product of the Volume Weighted Average Price of the Common Stock and the Conversion Rate per \$1,000 principal amount of Notes.

“Trustee” means the party named as the “Trustee” in the first paragraph of this Indenture until a successor replaces it pursuant to the applicable provisions of this Indenture and, thereafter, shall mean such successor. "indenture note holder" means a Noteholder.

"indenture to be qualified" means this Indenture.

"indenture trustee" or "institutional trustee" means the Trustee.

"obligor" on the indenture Notes means the Company.

All other TIA terms used in this Indenture that are defined by the TIA, defined by TIA reference to another statute or defined by Commission rule have the meanings assigned to them by such definitions.

SECTION 1.04 Rules of Construction. Unless the context otherwise requires:

- (a) a term has the meaning assigned to it;
- (b) an accounting term not otherwise defined has the meaning assigned to it in accordance with GAAP as in effect from time to time;
- (c) "or" is not exclusive;
- (d) "including" means including, without limitation; and
- (e) words in the singular include the plural, and words in the plural include the singular.

SECTION 1.05 Acts of Holders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by their agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such

instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to such officer the execution thereof. Where such execution is by a signer acting in a capacity other than such signer's individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer's authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

The ownership of Notes shall be proved by the register for the Notes or by a certificate of the Registrar.

Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Note shall bind every future Holder of the same Note and the holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Note.

If the Company shall solicit from the Holders any request, demand, authorization, direction, notice, consent, waiver or other Act, the Company may, at its option, by or pursuant to a resolution of the Board of Directors, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Company shall have no obligation to do so. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for purposes of determining whether Holders of the requisite proportion of outstanding Notes have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the outstanding Notes shall be computed as of such record date; provided that no such authorization, agreement or consent by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than six months after the record date.

## ARTICLE 2

### THE NOTES

SECTION 2.01 Form and Dating. The Global Notes and the Trustee's certificate of authentication to be borne by such Notes and the Certificated Notes and the

Trustee's Certificate of Authentication to be borne by such Notes shall be substantially in the form annexed hereto as Exhibits A-1 and A-2, respectively, which are incorporated in and made a part of this Indenture. Each Note shall be dated the date of its authentication. The terms and provisions contained in the form of Note shall constitute, and are hereby expressly made, a part of this Indenture and to the extent applicable, the Company and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby.

Any of the Notes may have such letters, numbers or other marks of identification and such notations, legends and endorsements as the officers executing the same may approve (execution thereof to be conclusive evidence of such approval) and as are not inconsistent with the provisions of this Indenture, or as may be required to comply with any law or with any rule or regulation made pursuant thereto or with any rule or regulation of any securities exchange or automated quotation system on which the notes may be listed or designated for issuance, or to conform to usage.

(a) Global Notes. Notes offered and sold within the United States to qualified institutional buyers as defined in Rule 144A ("QIBs") in reliance on Rule 144A shall be issued, initially in the form of a 144A Global Note, which shall be deposited with the Trustee at its Corporate Trust Office, as custodian for, and registered in the name of, The Depository Trust Company ("DTC") or the nominee thereof (such depository, or any successor thereto, and any such nominee being hereinafter referred to as the "Depository"), duly executed by the Company and authenticated by the Trustee as hereinafter provided. The aggregate principal amount of the 144A Global Notes may from time to time be increased or decreased by adjustments made on the records of the Trustee and the Depository as hereinafter provided.

(b) Global Notes in General. Each Global Note shall represent such of the outstanding Notes as shall be specified therein and each shall provide that it shall represent the aggregate amount of outstanding Notes from time to time endorsed thereon and that the aggregate amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges, redemptions and conversions.

Any adjustment of the aggregate principal amount of a Global Note to reflect the amount of any increase or decrease in the amount of outstanding Notes represented thereby shall be made by the Trustee in accordance with instructions given by the Holder thereof as required by Section 2.12 hereof and shall be made on the records of the Trustee and the Depository.

(c) Book-Entry Provisions. This Section 2.01(c) shall apply only to Global Notes deposited with or on behalf of the Depository.

The Company shall execute and the Trustee shall, in accordance with this Section 2.01(c), authenticate and deliver initially one or more Global Notes that (a) shall be registered in the name of the Depository, (b) shall be delivered by the Trustee to the Depository or pursuant to the Depository's instructions and (c) shall bear legends substantially to the following effect:

"UNLESS THIS CERTIFICATE IS PRESENTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY TO THE

ISSUER OR ITS AGENT FOR REGISTRATION OF TRANSFER, EXCHANGE OR PAYMENT, AND ANY CERTIFICATE ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY (AND ANY PAYMENT HEREON IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED REPRESENTATIVE OF THE DEPOSITORY TRUST COMPANY), ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL SINCE THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.

TRANSFERS OF THIS GLOBAL NOTE SHALL BE LIMITED TO TRANSFERS IN WHOLE, BUT NOT IN PART, TO NOMINEES OF THE DEPOSITORY TRUST COMPANY OR TO A SUCCESSOR THEREOF OR SUCH SUCCESSOR'S NOMINEE AND TRANSFERS OF PORTIONS OF THIS GLOBAL NOTE SHALL BE LIMITED TO TRANSFERS MADE IN ACCORDANCE WITH THE RESTRICTIONS SET FORTH IN ARTICLE 2 OF THE INDENTURE REFERRED TO ON THE REVERSE HEREOF."

(d) Restrictive Legends. Until the Restriction Termination Date, all Global Notes and all Certificated Notes shall bear the Legend, unless such Notes have been transferred pursuant to a registration statement that has been declared effective under the Securities Act. Until the Restriction Termination Date, the Company covenants that any stock certificate representing shares of Common Stock delivered by the Company upon conversion of any Notes will bear the Legend, unless such shares have been sold pursuant to a registration statement that has been declared effective under the Securities Act.

(e) Certificated Notes. Notes not issued as interests in the Global Notes will be issued in certificated form substantially in the form of Exhibit A-2 attached hereto.

SECTION 2.02 Execution and Authentication. The Notes shall be executed on behalf of the Company by any Officer. The signature of the Officer on the Notes may be manual or facsimile.

Notes bearing the manual or facsimile signatures of individuals who were at the time of the execution of the Notes the proper Officers shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Notes or did not hold such offices at the date of authentication of such Notes.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for herein duly executed by the Trustee by manual signature of an authorized signatory, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

The Trustee shall authenticate and deliver Notes for original issue in an aggregate principal amount of up to \$100,000,000 upon a Company Order without any further action by the Company. The Trustee shall not authenticate an aggregate principal amount of Notes outstanding at any time in excess of the amount set forth in the foregoing sentence, except as provided in Section 2.07.

The Notes shall be issued only in registered form without coupons and only in denominations of \$1,000 in principal amount and any whole multiple thereof.

SECTION 2.03 Registrar, Paying Agent and Conversion Agent. The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange ("Registrar"), an office or agency where Notes may be presented for repurchase or payment ("Paying Agent") and an office or agency where Notes may be presented for conversion ("Conversion Agent"). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company may have one or more co-registrars, one or more additional paying agents and one or more additional conversion agents. The term Paying Agent includes any additional paying agent, including any named pursuant to Section 4.05. The term Conversion Agent includes any additional conversion agent, including any named pursuant to Section 4.05.

The Company shall enter into an appropriate agency agreement with any Registrar, Paying Agent, Conversion Agent or co-registrar (to the extent such agents are other than the Trustee). The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee of the name and address of any such agent. If the Company fails to maintain a Registrar, Paying Agent or Conversion Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.06. The Company or any Subsidiary or an Affiliate of either of them may act as Paying Agent, Registrar, Conversion Agent or co-registrar.

The Company initially appoints the Trustee as Registrar, Conversion Agent and Paying Agent in connection with the Notes.

SECTION 2.04 Paying Agent to Hold Money and Notes in Trust. Except as otherwise provided herein, on or prior to each due date of payments in respect of any Note, the Company shall deposit with the Paying Agent a sum of money (in immediately available funds if deposited on the due date) sufficient to make such payments when so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Noteholders or the Trustee all money held by the Paying Agent for the making of payments in respect of the Notes and shall notify the Trustee of any default by the Company in making any such payment. At any time during the continuance of any such default, the Paying Agent shall, upon the written request of the Trustee, forthwith pay to the Trustee all money so held in trust. If the Company, a Subsidiary or an Affiliate of either of them acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by it. Upon doing so, the Paying Agent shall have no further liability for the money.

SECTION 2.05 Noteholder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Noteholders. If the Trustee is not the Registrar, the Company shall cause to be furnished to the Trustee on or before each semiannual Interest Payment Date a listing of Noteholders dated within 13 days of the date on which the list is furnished and at such other times as the Trustee may request in writing a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Noteholders.

SECTION 2.06 Transfer and Exchange. Subject to Section 2.12 hereof, (a) upon surrender for registration of transfer of any Note, together with a written instrument of transfer satisfactory to the Registrar duly executed by the Noteholder or such Noteholder's attorney duly authorized in writing, at the office or agency of the Company designated as Registrar or co-registrar pursuant to Section 2.03, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of any authorized denomination or denominations, of a like aggregate principal amount. The Company shall not charge a service charge for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges that may be imposed in connection with the transfer or exchange of the Notes from the Noteholder requesting such transfer or exchange.

At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations, of a like aggregate principal amount, upon surrender of the Notes to be exchanged, together with a written instrument of transfer satisfactory to the Registrar duly executed by the Noteholder or such Noteholder's attorney duly authorized in writing, at such office or agency. Whenever any Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

The Company shall not be required to make, and the Registrar need not register, transfers or exchanges of Notes selected for redemption (except, in the case of Notes to be redeemed in part, the portion thereof not to be redeemed) or any Notes in respect of which a Change in Control Repurchase Notice (as defined in Section 3.10(d)) has been given and not withdrawn by the Holder thereof in accordance with the terms of this Indenture (except, in the case of Notes to be repurchased in part, the portion thereof not to be repurchased) or any Notes for a period of 15 days before the mailing of a notice of redemption of Notes to be redeemed.

(b) Notwithstanding any provision to the contrary herein, so long as a Global Note remains outstanding and is held by or on behalf of the Depositary, transfers of a Global Note, in whole or in part, shall be made only in accordance with Section 2.12 and this Section 2.06(b). Transfers of a Global Note shall be limited to transfers of such Global Note in whole, or in part, to nominees of the Depositary or to a successor of the Depositary or such successor's nominee.

(c) Successive registrations and registrations of transfers and exchanges as aforesaid may be made from time to time as desired, and each such registration shall be noted on the register for the Notes.

(d) Any Registrar appointed pursuant to Section 2.03 hereof shall provide to the Trustee such information as the Trustee may reasonably require in connection with the delivery by such Registrar of Notes upon transfer or exchange of Notes.

(e) No Registrar shall be required to make registrations of transfer or exchange of Notes during any periods designated in the text of the Notes or in this Indenture as periods during which such registration of transfers and exchanges need not be made.

(f) If Notes are issued upon the transfer, exchange or replacement of Notes subject to restrictions on transfer and bearing the legends set forth on the forms of Note attached hereto as Exhibits A-1 and A-2 setting forth such restrictions (collectively, the "Legend"), or if a request is made to remove the Legend on a Note, the Notes so issued shall bear the Legend, or the Legend shall not be removed, as the case may be, unless there is delivered to the Company and the Registrar such satisfactory evidence, which shall include an Opinion of Counsel, as may be reasonably required by the Company and the Registrar, that neither the Legend nor the restrictions on transfer set forth therein are required to ensure that transfers thereof comply with the provisions of Rule 144A or Rule 144 or that such Notes are not "restricted" within the meaning of Rule 144. Upon (i) provision of such satisfactory evidence, or (ii) notification by the Company to the Trustee and Registrar of the sale of such Note pursuant to a registration statement that is effective at the time of such sale, the Trustee, at the written direction of the Company, shall authenticate and deliver a Note that does not bear the Legend. If the Legend is removed from the face of a Note and the Note is subsequently held by an affiliate, as defined in Rule 144, of the Company, the Legend shall be reinstated.

**SECTION 2.07 Replacement Notes.** If (a) any mutilated Note is surrendered to the Trustee, or (b) the Company and the Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, and there is delivered to the Company and the Trustee such Note (in the case of mutilation) or indemnity (in all other cases) as may be required by them to save each of them harmless, then, in the absence of notice to the Company or the Trustee that such Note has been acquired by a bona fide purchaser, the Company shall execute and upon its written request the Trustee shall authenticate and deliver, in exchange for any such mutilated Note or in lieu of any such destroyed, lost or stolen Note, a new Note of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, or is about to be repurchased by the Company pursuant to Article 3 hereof, the Company in its discretion may, instead of issuing a new Note, pay or repurchase such Note, as the case may be.

Upon the issuance of any new Notes under this Section 2.07, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Note issued pursuant to this Section 2.07 in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Note shall be at any time enforceable by

anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.08 Outstanding Notes; Determinations of Holders' Action. Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it or delivered to it for cancellation, those paid pursuant to Section 2.07 and those described in this Section 2.08 as not outstanding. A Note does not cease to be outstanding because the Company or an Affiliate thereof holds the Note; provided, however, that in determining whether the Holders of the requisite principal amount of the outstanding Notes have given or concurred in any request, demand, authorization, direction, notice, consent, waiver or other Act hereunder, Notes owned by the Company or any other obligor upon the Notes or any Affiliate of the Company or such other obligor shall be disregarded and deemed not to be outstanding, except that, in determining whether the Trustee shall be protected in relying upon any such request, demand, authorization, direction, notice, consent, waiver, or other Act only Notes which a Responsible Officer of the Trustee knows to be so owned shall be so disregarded. Subject to the foregoing, only Notes outstanding at the time of such determination shall be considered in any such determination (including, without limitation, determinations pursuant to Articles 6 and 9).

If a Note is replaced pursuant to Section 2.07, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

If the Paying Agent holds, in accordance with this Indenture, on a Provisional Redemption Date, or on the Business Day following a Change in Control Repurchase Date or on Stated Maturity, money or securities, if permitted hereunder, sufficient to pay Notes payable on that date, then immediately after such Provisional Redemption Date, Change in Control Repurchase Date, or Stated Maturity, as the case may be, such Notes shall cease to be outstanding and interest on such Notes shall cease to accrue; provided that, if such Notes are to be redeemed, notice of such redemption has been duly given pursuant to this Indenture or provision therefor reasonably satisfactory to the Trustee has been made; provided further that, with respect to a Change in Control Repurchase Date, no Change in Control Repurchase Notice with respect to such Notes has been withdrawn validly.

If a Note is converted in accordance with Article 10, then from and after the time of conversion on the conversion date, such Note shall cease to be outstanding and interest shall cease to accrue on such Note.

SECTION 2.09 Temporary Notes. Pending the preparation of definitive Notes, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions,

substitutions and other variations as the officers executing such Notes may determine, as conclusively evidenced by their execution of such Notes.

If temporary Notes are issued, the Company will cause definitive Notes to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes shall be exchangeable for definitive Notes upon surrender of the temporary Notes at the office or agency of the Company designated for such purpose pursuant to Section 2.03, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a like principal amount of definitive Notes of authorized denominations. Until so exchanged the temporary Notes shall in all respects be entitled to the same benefits under this Indenture as definitive Notes.

**SECTION 2.10 Cancellation.** All Notes surrendered for payment, repurchase by the Company pursuant to Article 3, conversion, redemption or registration of transfer or exchange shall, if surrendered to any person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly cancelled by the Trustee. The Company may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation or that any Holder has converted pursuant to Article 10. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 2.10, except as expressly permitted by this Indenture. All cancelled Notes held by the Trustee shall be disposed of by the Company in accordance with its customary procedures.

**SECTION 2.11 Persons Deemed Owners.** Prior to due presentment of a Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Note is registered as the owner of such Note for the purpose of receiving payment of principal of the Note or the payment of any Provisional Redemption Price, or Change in Control Repurchase Price in respect thereof, and interest thereon, for the purpose of conversion and for all other purposes whatsoever, whether or not such Note be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

**SECTION 2.12 Global Notes.**

(a) Notwithstanding any other provisions of this Indenture or the Notes, (A) transfers of a Global Note, in whole or in part, shall be made only in accordance with Section 2.06 and Section 2.12(a)(i), (B) transfer of a beneficial interest in a Global Note for a Certificated Note shall comply with Section 2.06 and Section 2.12(a)(ii) below, and (C) transfers of a Certificated Note shall comply with Section 2.06 and Sections 2.12(a)(iii) and (iv) below.

(i) *Transfer of Global Note.* A Global Note may not be transferred, in whole or in part, to any Person other than the Depositary or a nominee or any successor thereof, and no such transfer to any such other Person may be registered; provided that this clause (i) shall not prohibit any transfer of a Note that is issued in exchange for a Global Note

but is not itself a Global Note. No transfer of a Note to any Person shall be effective under this Indenture or the Notes unless and until such Note has been registered in the name of such Person. Nothing in this Section 2.12(a) (i) shall prohibit or render ineffective any transfer of a beneficial interest in a Global Note effected in accordance with the other provisions of this Section 2.12(a).

(ii) *Restrictions on Transfer of a Beneficial Interest in a Global Note for a Certificated Note.* A beneficial interest in a Global Note may not be exchanged for a Certificated Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a transfer of a beneficial interest in a Global Note (which transfer, if made to an Institutional Accredited Investor that is not a QIB, shall be made to a Holder that is acquiring a minimum of \$250,000 aggregate principal amount of Notes) in accordance with Applicable Procedures for a Certificated Note in the form satisfactory to the Trustee, together with:

(A) so long as the Notes are Restricted Notes, certification, in the form set forth in Exhibit B-1 and, in the case of a transfer to an Institutional Accredited Investor that is not a QIB, a representation letter in the form set forth in Exhibit D;

(B) written instructions to the Trustee to make, or direct the Registrar to make, an adjustment on its books and records with respect to such Global Note to reflect a decrease in the aggregate principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depository account to be credited with such decrease; and

(C) if the Company or Registrar so requests, an opinion of counsel or other evidence reasonably satisfactory to them as to the compliance with the restrictions set forth in the Legend,

then the Trustee shall cause, or direct the Registrar to cause, in accordance with the standing instructions and procedures existing between the Depository and the Registrar, the aggregate principal amount of Notes represented by the Global Note to be decreased by the aggregate principal amount of the Certificated Note to be issued, shall issue such Certificated Note and shall debit or cause to be debited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Certificated Note so issued.

(iii) *Transfer and Exchange of Certificated Notes.* When Certificated Notes are presented to the Registrar with a request:

(x) to register the transfer of such Certificated Notes; or

(y) to exchange such Certificated Notes for an equal principal amount of Certificated Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; provided, however, that the Certificated Notes surrendered for transfer or exchange:

(A) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Company and the Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing; and

(B) so long as such Notes are Restricted Notes, such Notes are being transferred or exchanged pursuant to an effective registration statement under the Securities Act or pursuant to clause (1), (2) or (3) below, and are accompanied by the following additional information and documents, as applicable:

(1) if such Certificated Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(2) if such Certificated Notes are being transferred to the Company, a certification to that effect; or

(3) if such Certificated Notes are being transferred pursuant to an exemption from registration (including any transfer to an Institutional Accredited Investor), (i) a certification to that effect (in the form set forth in Exhibit B-1, if applicable) and (ii) if the Company or Registrar so requests, an opinion of counsel or other evidence reasonably satisfactory to them as to the compliance with the restrictions set forth in the Legend.

(iv) *Restrictions on Transfer of a Certificated Note for a Beneficial Interest in a Global Note.* A Certificated Note may not be exchanged for a beneficial interest in a Global Note except upon satisfaction of the requirements set forth below, including any transfer from an Institutional Accredited Investor that is not a QIB to a QIB.

Upon receipt by the Trustee of a Certificated Note, duly endorsed or accompanied by appropriate instruments of transfer, in form reasonably satisfactory to the Trustee, together with:

(A) so long as the Notes are Restricted Notes, certification, in the form set forth in Exhibit B-1, that such Certificated Note is being transferred to a QIB in accordance with Rule 144A; and

(B) written instructions directing the Trustee to make, or to direct the Registrar to make, an adjustment on its books and records with respect to such Global Note to reflect an increase in the aggregate

principal amount of the Notes represented by the Global Note, such instructions to contain information regarding the Depositary account to be credited with such increase, then the Trustee shall cancel such Certificated Note and cause, or direct the Registrar to cause, in accordance with the standing instructions and procedures existing between the Depositary and the Registrar, the aggregate principal amount of Notes represented by the Global Note to be increased by the aggregate principal amount of the Certificated Note to be exchanged, and shall credit or cause to be credited to the account of the Person specified in such instructions a beneficial interest in the Global Note equal to the principal amount of the Certificated Note so cancelled. If no Global Notes are then outstanding, the Company shall issue and the Trustee shall authenticate, upon written order of the Company in the form of an Officers' Certificate, a new Global Note in the appropriate principal amount.

(b) Subject to the succeeding paragraph, every Note shall be subject to the restrictions on transfer provided in the Legend including the delivery of an opinion of counsel, if so provided. Whenever any Restricted Note is presented or surrendered for registration of transfer or for exchange for a Note registered in a name other than that of the Holder, such Note must be accompanied by a certificate in substantially the form set forth in Exhibit B-1, dated the date of such surrender and signed by the Holder of such Note, as to compliance with such restrictions on transfer. The Registrar shall not be required to accept for such registration of transfer or exchange any Note not so accompanied by a properly completed certificate.

(c) The restrictions imposed by the Legend upon the transferability of any Note shall cease and terminate when such Note has been sold pursuant to an effective registration statement under the Securities Act or transferred in compliance with Rule 144 or, if earlier, upon the expiration of the holding period applicable to sales thereof under Rule 144(k) promulgated under the Securities Act (or any successor provision). Any Note as to which such restrictions on transfer shall have expired in accordance with their terms or shall have terminated may, upon a surrender of such Note for exchange to the Registrar in accordance with the provisions of this Section 2.12 (accompanied, in the event that such restrictions on transfer have terminated by reason of a transfer in compliance with Rule 144, by an opinion of counsel having substantial experience in practice under the Securities Act and otherwise reasonably acceptable to the Company, addressed to the Company and in form acceptable to the Company, to the effect that the transfer of such Note has been made in compliance with Rule 144), be exchanged for a new Note, of like tenor and aggregate principal amount, which shall not bear the Legend. The Company shall inform the Trustee of the effective date of any registration statement registering the Notes under the Securities Act. The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among DTC participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. The Trustee shall not be liable for any action taken or omitted

to be taken by it in good faith in accordance with the aforementioned opinion of counsel or registration statement.

(d) In the event that Rule 144(k) as promulgated under the Securities Act is amended to shorten the two-year restriction period, then restrictions on transfer on the Notes and the Common Stock will be deemed to refer to the shortened restriction period. The Company undertakes to inform the Trustee if such change to Rule 144(k) occurs and the effect (if any) to the restrictions on transfer applicable to the Notes and Common Stock and shall provide additional information (including an Opinion of Counsel and/or an Officers' Certificate) if so requested by the Trustee.

(e) As used in subsections (c) and (d) of this Section 2.12, the term "transfer" encompasses any sale, pledge, transfer, hypothecation or other disposition of any Note.

(f) The provisions of clauses (i), (ii), (iii), (iv) and (v) below shall apply only to Global Notes:

(i) Notwithstanding any other provisions of this Indenture or the Notes, except as provided in Section 2.12(a) (i), a Global Note shall not be exchanged in whole or in part for a Note registered in the name of any Person other than the Depositary or one or more nominees thereof, provided that a Global Note may be exchanged for Notes registered in the names of any person designated by the Depositary in the event that (i) the Depositary has notified the Company that it is unwilling or unable to continue as Depositary for such Global Note or such Depositary has ceased to be a "clearing agency" registered under the Exchange Act, and a successor Depositary is not appointed by the Company within 90 days or (ii) an Event of Default has occurred and is continuing with respect to the Notes. Any Global Note exchanged pursuant to clause (i) above shall be so exchanged in whole and not in part, and any Global Note exchanged pursuant to clause (ii) above may be exchanged in whole or from time to time in part as directed by the Depositary. Any Note issued in exchange for a Global Note or any portion thereof shall be a Global Note; provided that any such Note so issued that is registered in the name of a Person other than the Depositary or a nominee thereof shall not be a Global Note.

(ii) Subject to the last sentence of clause (i) above, notes issued in exchange for a Global Note or any portion thereof shall be issued in definitive, fully registered form, without interest coupons, shall have an aggregate principal amount equal to that of such Global Note or portion thereof to be so exchanged, shall be registered in such names and be in such authorized denominations as the Depositary shall designate and shall bear the applicable legends provided for herein. Any Global Note to be exchanged in whole shall be surrendered by the Depositary to the Trustee, as Registrar. With regard to any Global Note to be exchanged in part, either such Global Note shall be so surrendered for exchange or, if the Trustee is acting as custodian for the Depositary or its nominee with respect to such Global Note, the principal amount thereof shall be reduced, by an amount equal to the portion thereof to be so exchanged, by means of an appropriate adjustment made on the records of the Trustee. Upon any such surrender or adjustment, the Trustee shall authenticate and deliver the Note issuable on such exchange to or upon the order of the Depositary or an authorized representative thereof.

(iii) Subject to the provisions of clause (v) below, the registered Holder may grant proxies and otherwise authorize any Person, including Agent Members (as defined below) and persons that may hold interests through Agent Members, to take any action which a holder is entitled to take under this Indenture or the Notes.

(iv) In the event of the occurrence of any of the events specified in clause (i) above, the Company will promptly make available to the Trustee a reasonable supply of Certificated Notes in definitive, fully registered form, without interest coupons.

(v) Neither any members of, or participants in, the Depositary (collectively, the "Agent Members") nor any other Persons on whose behalf Agent Members may act shall have any rights under this Indenture with respect to any Global Note registered in the name of the Depositary or any nominee thereof, or under any such Global Note, and the Depositary or such nominee, as the case may be, may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and holder of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or such nominee, as the case may be, or impair, as between the Depositary, its Agent Members and any other person on whose behalf an Agent Member may act, the operation of customary practices of such Persons governing the exercise of the rights of a holder of any Note.

**SECTION 2.13 CUSIP Numbers.** The Company in issuing the Notes may use "CUSIP" numbers and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee of any change in the CUSIP numbers.

**SECTION 2.14 Defaulted Interest.** If the Company defaults in a payment of interest on the Notes, it shall pay, or shall deposit with the Paying Agent money in immediately available funds sufficient to pay, the defaulted interest, plus (to the extent lawful) any interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date. A special record date, as used in this Section 2.14 with respect to the payment of any defaulted interest, shall mean the 15th day next preceding the date fixed by the Company for the payment of defaulted interest, whether or not such day is a Business Day. At least 15 days before the subsequent special record date, the Company shall mail to each Holder and to the Trustee a notice that states the subsequent special record date, the payment date and the amount of defaulted interest to be paid.

**SECTION 2.15 Registration Default.** The interest rate borne by the Notes shall be increased upon a Registration Default (as defined in the Registration Rights Agreement) due to the incurrence of Liquidated Damages, as provided in the Registration Rights Agreement and the Notes. If a Registration Default occurs, the Company shall deliver to the Trustee an

Officers' Certificate stating (1) the amount of increased interest payable in the form of Liquidated Damages, (2) the date from which the increased Interest Rate resulting from the Liquidated Damages is effective and (3) when such Liquidated Damages are payable. Unless and until a Responsible Officer of the Trustee receives such an Officers' Certificate, the Trustee shall assume there has been no increase in the amount of interest.

### ARTICLE 3

#### REDEMPTION AND REPURCHASES

**SECTION 3.01 Provisional Redemption.** Commencing on or after October 15, 2007, the Company may, at its option, redeem the Notes in whole at any time or in part on any date from time to time, upon notice as set forth in Section 3.04 at a redemption price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest, if any (such amount, the "Provisional Redemption Price"), to but excluding the date of redemption ("Provisional Redemption Date") (provided however, if such Provisional Redemption Date is an Interest Payment Date, the interest due on such Interest Payment Date shall be payable to the Holder of the Notes called for redemption registered as such on the relevant Record Date and the Provisional Redemption Price shall not include such interest payment), if the Closing Price of the Common Stock has exceeded 150% of the Conversion Price then in effect for at least 20 Trading Days in the consecutive 30-Trading Day period ending on the Trading Day immediately preceding to the date of mailing of the provisional notice of redemption pursuant to Section 3.04 (the "Notice Date").

**SECTION 3.02 Notice of Trustee.** If the Company elects to redeem Notes pursuant to the redemption provisions of Section 3.01 hereof, it shall notify the Trustee at least 30 days prior but not more than 60 days prior to the applicable Provisional Redemption Date of such intended Provisional Redemption Date, the principal amount of Notes to be redeemed and the CUSIP numbers of the Notes to be redeemed.

**SECTION 3.03 Selection of Notes to be Redeemed.** If fewer than all the Notes are to be redeemed, the Trustee shall select the particular Notes to be redeemed from the outstanding Notes by a method that complies with the requirements of any exchange on which the Notes are listed, or, if the Notes are not listed on an exchange, on a pro rata basis or by lot or in accordance with any other method the Trustee considers fair and appropriate. Notes and portions thereof that the Trustee selects shall be in principal amounts equal to whole multiples of no less than \$1,000.

If any Note selected for partial redemption is converted in part before termination of the conversion right with respect to the portion of the Note so selected, the converted portion of such Note shall be deemed to be the portion selected for redemption (provided, however, that the Holder of such Note so converted and deemed redeemed shall not be entitled to any interest payment as a result of such deemed redemption in excess of such interest as such Holder would have otherwise been entitled to receive upon conversion of such Note). Notes that have been converted during a selection of Notes to be redeemed may be treated by the Trustee as outstanding for the purpose of such selection.

The Trustee shall promptly notify the Company and the Registrar in writing of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Notes shall relate, in the case of any Notes redeemed or to be redeemed only in part, to the portion of the principal amount of such Notes which has been or is to be redeemed.

SECTION 3.04 Notice of Redemption. Notice of redemption shall be given in the manner provided in Section 13.02 hereof to the Holders of Notes to be redeemed. Such notice shall be given not less than 30 nor more than 60 days prior to a Provisional Redemption Date for redemption pursuant to Section 3.01.

All notices of redemption shall state:

- (1) the Provisional Redemption Date;
- (2) the Provisional Redemption Price;
- (3) if fewer than all the outstanding Notes are to be redeemed, the aggregate principal amount of Notes to be redeemed and the aggregate principal amount of Notes which will be outstanding after such partial redemption;
- (4) that on the applicable Provisional Redemption Date the Provisional Redemption Price will become due and payable upon each such Note to be redeemed, and that interest on the Notes shall cease to accrue on and after such date;
- (5) the Conversion Price, the date on which the right to convert the principal of the Notes to be redeemed will terminate and the places where such Notes may be surrendered for conversion;
- (6) the place or places where such Notes are to be surrendered for payment of the Provisional Redemption Price; and
- (7) the CUSIP number of the Notes.

The notice given shall specify the last date on which exchanges or transfers of Notes may be made pursuant to Section 2.06 hereof, and shall specify the serial numbers of Notes and the portions thereof called for redemption.

Notice of redemption of Notes to be redeemed at the election of the Company shall be given by the Company.

SECTION 3.05 Effect of Notice of Redemption. Notice of redemption having been given as provided in Section 3.04 hereof, the Notes so to be redeemed shall, on the applicable Provisional Redemption Date, become due and payable at the Provisional Redemption Price therein specified and from and after such date (unless the Company shall default in the

payment of the Provisional Redemption Price) such Notes shall cease to bear interest. Upon surrender of any such Note for redemption in accordance with such notice, such Note shall be paid by the Company at the Provisional Redemption Price; Provided, however, that the portion of the Provisional Redemption Price comprising of interest on Notes whose Stated Maturity is prior to or on the applicable Provisional Redemption Date shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such on the relevant Record Date according to their terms and the provisions of Section 2.01 hereof.

If any Note called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the applicable Provisional Redemption Date at the Interest Rate.

SECTION 3.06 Deposit of Provisional Redemption Price. Prior to or on any Provisional Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company or a Subsidiary or an Affiliate of either of them is acting as the Paying Agent, such Paying Agent shall segregate and hold in trust as provided in Section 2.04) an amount of money (in immediately available funds if deposited on such Provisional Redemption Date) sufficient to pay the Provisional Redemption Price of all the Notes to be redeemed on that Provisional Redemption Date, other than any Notes called for redemption on that date which have been converted prior to the date of such deposit (except with respect to the Provisional Redemption as provided in Sections 3.01 and 3.05 hereof).

If any Note called for redemption is converted, any money deposited with the Trustee or with a Paying Agent or so segregated and held in trust for the redemption of such Note shall (subject to any right of the Holder of such Note or any predecessor Note to receive interest as provided in Section 4.01 hereof) be paid to the Company on Company Request or, if then held by the Company, shall be discharged from such trust.

SECTION 3.07 Notes Redeemed in Part. Any Note which is to be redeemed only in part shall be surrendered at an office or agency of the Company designated for that purpose pursuant to Section 4.05 hereof (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or the Holder's attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Note without service charge, a new Note or Notes of any authorized denomination as requested by such Holder in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Note so surrendered.

SECTION 3.08 Conversion Arrangement on Call for Redemption. In connection with any redemption of Notes, the Company may arrange for the purchase and conversion of any Notes called for redemption by an agreement with one or more investment banks or other purchasers to purchase such Notes by paying to the Trustee in trust for the Noteholders, on or prior to 11:00 a.m. New York City time on the applicable Provisional Redemption Date, an amount that, together with any amounts deposited with the Trustee by the Company for the redemption of such Notes, is not less than the Provisional Redemption Price of such Notes. Notwithstanding anything to the contrary contained in this Article 3, the obligation of the Company to pay the Provisional Redemption Price of such Notes shall be deemed to be

satisfied and discharged to the extent such amount is so paid by such purchasers. If such an agreement is entered into, any Notes not duly surrendered for conversion by the Holders thereof may, at the option of the Company, be deemed, to the fullest extent permitted by law, acquired by such purchasers from such Holders and (notwithstanding anything to the contrary contained in Article 10) surrendered by such purchasers for conversion, all as of immediately prior to the close of business on the applicable Provisional Redemption Date, subject to payment of the above amount as aforesaid. The Trustee shall hold and pay to the Holders whose Notes are selected for redemption any such amount paid to it for purchase and conversion in the same manner as it would moneys deposited with it by the Company for the redemption of Notes. Without the Trustee's prior written consent, no arrangement between the Company and such purchasers for the purchase and conversion of any Notes shall increase or otherwise affect any of the powers, duties, responsibilities or obligations of the Trustee as set forth in this Indenture, and the Company agrees to indemnify the Trustee from, and hold it harmless against, any loss, liability or expense arising out of or in connection with any such arrangement for the purchase and conversion of any Notes between the Company and such purchasers, including the costs and expenses incurred by the Trustee in the defense of any claim or liability arising out of or in connection with the exercise or performance of any of its powers, duties, responsibilities or obligations under this Indenture, except to the extent such loss, liability, expense or cost results from Trustee's gross negligence or willful misconduct.

SECTION 3.09 Reserved.

SECTION 3.10 Repurchase of Notes at Option of the Holder upon Change in Control.

(a) If there shall have occurred a Change in Control, all or any portion of the Notes of any Holder equal to a whole multiple of \$1,000, not previously called for redemption, shall be repurchased by the Company, at the option of such Holder, at a repurchase price equal to 100% of the principal amount of the Notes to be repurchased, together with interest accrued and unpaid to, but excluding, the repurchase date (the "Change in Control Repurchase Price"), on the date (the "Change in Control Repurchase Date") that is 45 Business Days after the Change in Control Repurchase Notice; provided, however, that installments of interest on Notes whose Stated Maturity is prior to or on the Change in Control Repurchase Date shall be payable to the Holders of such Notes, or one or more predecessor Notes, registered as such on the relevant Regular Record Date according to their terms.

Subject to the fulfillment by the Company of the conditions set forth in Section 3.10(b) hereof, the Company may elect to pay the Change in Control Repurchase Price (to the extent not paid in cash) by delivering the number of shares of Common Stock equal to (i) the Change in Control Repurchase Price divided by (ii) 95% of the average of the Closing Prices per share of Common Stock for the five consecutive Trading Days immediately preceding and including the third Trading Day prior to the Change in Control Repurchase Date.

Whenever in this Indenture (including Sections 2.01, 6.01(a) and 6.07 hereof) or Exhibits A-1 and A-2 annexed hereto there is a reference, in any context, to the principal of any Note as of any time, such reference shall be deemed to include reference to the Change in Control Repurchase Price payable in respect to such Note to the extent that such Change in

Control Repurchase Price is, was or would be so payable at such time, and express mention of the Change in Control Repurchase Price in any provision of this Indenture shall not be construed as excluding the Change in Control Repurchase Price in those provisions of this Indenture when such express mention is not made.

A "Change in Control" of the Company shall be deemed to have occurred at such time after the original issuance of Notes as any of the following events shall occur:

(i) the acquisition by any person, including any syndicate or group deemed to be a "person" under Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), of beneficial ownership, directly or indirectly, through a purchase, merger or other acquisition transaction or series of transactions, of shares of the Capital Stock of the Company entitling that person to exercise 50% or more of the total voting power of all shares of such Capital Stock entitled to vote generally in elections of directors, other than any acquisition by the Company, any of its Subsidiaries or any employee benefit plans of the Company; or

(ii) any consolidation or merger of the Company with or into any other person, any merger of another person into the Company, or any conveyance, transfer, sale, lease or other disposition of all or substantially all of the Company's properties and assets to another person, other than:

(A) any transaction (1) that does not result in any reclassification, conversion, exchange or cancellation of outstanding shares of the Capital Stock of the Company and (2) pursuant to which holders of the Capital Stock of the Company immediately prior to the transaction are entitled to exercise, directly or indirectly, 50% or more of the total voting power of all shares of the Capital Stock of the Company entitled to vote generally in the election of directors of the continuing or surviving person immediately after the transaction; or

(B) any merger solely for the purpose of changing the Company's jurisdiction of incorporation and resulting in a reclassification, conversion or exchange of outstanding shares of Common Stock solely into shares of common stock of the surviving entity,

(iii) during any consecutive two-year period, individuals who at the beginning of that two-year period constituted the Board of Directors (together with any new directors whose election to the Board of Directors, or whose nomination for election by the stockholders of the Company, was approved by a vote of a majority of the directors then still in office who were either directors at the beginning of such period or whose election or nomination for election were previously so approved) cease for any reason to constitute a majority of the Board of Directors then in office; or

(iv) the Company is liquidated or dissolved or a resolution is passed by the Company's stockholders approving a plan of liquidation or dissolution of the Company

other than in a transaction that complies with the provisions described in Article 5 of the Indenture.

Beneficial ownership shall be determined in accordance with Rule 13d-3 promulgated by the Commission under the Exchange Act. The term "person" shall include any syndicate or group that would be deemed to be a "person" under Section 13(d)(3) of the Exchange Act.

(b) Unless the Company shall have theretofore called for redemption all of the outstanding Notes, prior to or on the 30th day after the occurrence of a Change in Control, the Company, or, at the written request and expense of the Company prior to or on the 30th day after such occurrence, the Trustee, shall give to all Noteholders, in the manner provided in Section 13.02 hereof, notice of the occurrence of the Change in Control and of the repurchase right set forth herein arising as a result thereof (the "Company Change in Control Notice"). The Company shall also deliver a copy of such Company Change in Control Notice to the Trustee. The notice shall include a form of Change in Control Repurchase Notice (as defined in Section 3.10(c)) to be completed by the Noteholder and shall state:

- (1) briefly, the events causing a Change in Control and the date of such Change in Control;
- (2) the date by which the Change in Control Repurchase Notice pursuant to this Section 3.10 must be given;
- (3) the Change in Control Repurchase Date;
- (4) the Change in Control Repurchase Price;
- (5) the name and address of the Paying Agent and the Conversion Agent;
- (6) the Conversion Price and any adjustments thereto;
- (7) that Notes as to which a Change in Control Repurchase Notice has been given may be converted pursuant to Article 10 hereof and paragraph 9 on the reverse side of the Notes only if the Change in Control Repurchase Notice has been withdrawn in accordance with the terms of this Indenture;
- (8) that Notes must be surrendered to the Paying Agent to collect payment;
- (9) that the Change in Control Repurchase Price for any Note as to which a Change in Control Repurchase Notice has been duly given and not withdrawn will be paid promptly following the later of the Change in Control Repurchase Date and the time of surrender of such Note as described in (8) above;
- (10) briefly, the procedures the Holder must follow to exercise rights under this Section 3.10;
- (11) briefly, the conversion rights of the Notes;

(12) the procedures for withdrawing a Change in Control Repurchase Notice;

(13) that, unless the Company defaults in making payment on Notes for which a Change in Control Repurchase Notice has been submitted, interest on such Notes will cease to accrue on and after the Change in Control Repurchase Date;

(14) the CUSIP number of the Notes; and

(15) whether the Change in Control Repurchase Price shall be paid by the Company in cash or by delivery of shares of Common Stock or a combination thereof, and if a combination thereof, such notice shall provide the proportion of cash and Common Stock.

If any of the Notes to be redeemed are in the form of a Global Note, the Company shall modify such notice to the extent necessary to accord with the procedures of the Depositary applicable to repurchases.

At the Company's request, the Trustee shall give such Company Change in Control Notice on behalf of the Company and at the Company's expense; provided, however, that, in all cases, the text of such Company Change in Control Notice shall be prepared by the Company.

(c) Purchases of Notes by the Company pursuant to Section 3.10(a) hereof shall be made, at the option of the Holder thereof, upon:

(1) delivery to the Paying Agent by the Holder of a written notice of repurchase in the form set forth in Exhibit C attached hereto (a "Change in Control Repurchase Notice") on or prior to the 45<sup>th</sup> day after the date of the Company Change in Control Notice pursuant to 3.10(b) above, stating:

(i) the certificate number of the Note which the Holder will deliver to be repurchased (or if the Notes are not certificated, the Change in Control Repurchase Notice must comply with the procedures of the Depositary applicable to repurchases);

(ii) the portion of the principal amount of the Note which the Holder will deliver to be repurchased, which portion must be \$1,000 or any whole multiple thereof;

(iii) that such Note shall be repurchased pursuant to the terms and conditions specified in paragraph 8 on the reverse side of the Notes; and

(iv) if that the Company elects, pursuant to the Section 3.10(d), to pay the Change in Control Repurchase Price to be paid as of such Change in Control Repurchase Date, in whole or in part, in shares of Common Stock but such portion of the Change in Control Repurchase Price shall ultimately be payable to such Holder entirely in cash because any condition to payment of the Change in Control Repurchase Price (or a portion thereof) in Common Stock is not satisfied prior to the close of business on the Business Day immediately preceding such Repurchase Date, as set forth in Section 3.10(f), whether such Holder elects (i) to withdraw such Change in Control Repurchase

Notice as to some or all of the Notes to which such Change in Control Repurchase Notice relates (stating the principal amount and certificate numbers of the Notes as to which such withdrawal shall relate), or (ii) to receive cash in respect of the entire Change in Control Repurchase Price for all Notes (or portion thereof) to which such Change in Control Repurchase Price relates.

(2) delivery of such Note to the Paying Agent prior to, on or after the Change in Control Repurchase Date (together with all necessary endorsements) at the offices of the Paying Agent (if the Notes are not certificated, such delivery must comply with the procedures of the Depositary applicable to repurchases) shall be a condition to the receipt by the Holder of the Change in Control Repurchase Price therefor. The Change in Control Repurchase Price shall be so paid pursuant to this Section 3.10 only if the Note so delivered to the Paying Agent shall conform in all respects to the description thereof in the related Change in Control Repurchase Notice, as determined by the Company.

If a Holder, in such Holder's Change in Control Repurchase Notice and in any written notice of withdrawal delivered by such Holder pursuant to the terms of Section 3.10(c)(1), fails to indicate such Holder's choice with respect to the election set forth in clause (iv) of Section 3.10(c)(1), such Holder shall be deemed to have elected to receive cash in respect of the Change in Control Repurchase Price for all Notes subject to Change in Control Notice in the circumstances set forth in such clause (iv).

Notwithstanding anything herein to the contrary, any Holder delivering to the Paying Agent the Change in Control Repurchase Notice contemplated by this Section 3.10(c) shall have the right to withdraw such Change in Control Repurchase Notice at any time prior to the close of business on the Change in Control Repurchase Date by delivery of a written notice of withdrawal to the Paying Agent in accordance with Section 3.11.

The Paying Agent shall promptly notify the Company of the receipt by it of any Change in Control Repurchase Notice or written withdrawal thereof.

(d) The Notes to be purchased pursuant to Section 3.10(a) may be paid for, at the election of the Company, in cash or Common Stock, or in any combination of cash and Common Stock, subject to the conditions set forth in Sections 3.10(e) and (f). The Company shall designate, in the Company Change in Control Notice delivered pursuant to Section 3.10(b), whether the Company will repurchase the Notes for cash or Common Stock, or, if a combination thereof, the percentages of the Change in Control Repurchase Price of Notes in respect of which it will pay in cash or Common Stock; provided that the Company will pay cash for fractional interests in Common Stock. For purposes of determining the existence of potential fractional interests, all Notes subject to repurchase by the Company held by a Holder shall be considered together (no matter how many separate certificates are to be presented). Each Holder whose Notes are purchased pursuant to this Section 3.10 shall receive the same percentage of cash or Common Stock in payment of the Change in Control Price for such Notes, except (i) as provided in Section 3.10(f) with regard to the payment of cash in lieu of fractional shares of Common Stock and (ii) in the event that the Company is unable to repurchase the Notes of a Holder or Holders for Common Stock because any of the conditions specified in Section 3.10(f) have not been satisfied, the Company, subject to such Holder's or Holders' election under Section

3.10(c)(1)(iv) to withdraw its Change in Control Repurchase Notice, may repurchase the Notes of such Holder or Holders for cash. The Company may not change its election with respect to the consideration (or components or percentages of components thereof) to be paid once the Company has given its Company Change in Control Notice to Holders except pursuant to this Section 3.10(b) or pursuant to Section 3.10(f) in the event of a failure to satisfy, prior to the close of business on the Change in Control Repurchase Date, any condition to the payment of the Change in Control Repurchase Price, in whole or in part, in Common Stock.

At least three Business Days before the date on which the Company provides its Company Change in Control Notice, the Company shall deliver an Officers' Certificate to the Trustee specifying:

- (i) the manner of payment selected by the Company,
- (ii) the information required by Section 3.10(b),
- (iii) if the Company elects to pay the Repurchase Price, or a specified percentage thereof, in Common Stock, that the conditions to such manner of payment set forth in Section 3.10(f) have been or will be complied with, and
- (iv) whether the Company desires the Trustee to give the Company Change in Control Notice required by Section 3.10(b).

(e) On the date as provided in Section 3.12, at the option of the Company, as specified in the Change in Control Repurchase Notice or if the conditions in Section 3.10(f) have not been met, the Change in Control Repurchase Price of Notes in respect of which a Change in Control Repurchase Notice pursuant to Section 3.10(c) has been given, or a specified percentage thereof, may be paid by the Company with cash equal to the aggregate Change in Control Repurchase Price of such Notes. If the Company elects to repurchase Notes with cash, the Company Change in Control Notice, as provided in Section 3.10(b), shall be sent to Holders (and to beneficial owners as required by applicable law) not less than 20 Business Days prior to such Change in Control Repurchase Date.

(f) On the date as provided in Section 3.12, at the option of the Company, as specified in the Change in Control Repurchase Notice, subject to satisfaction of the conditions set forth in this Section 3.10(f), the Change in Control Repurchase Price of Notes in respect of which a Change in Control Repurchase Notice pursuant to Section 3.10(c) has been given, or a specified percentage thereof, may be paid by the Company by the issuance of a number of shares of Common Stock equal to the quotient obtained by dividing (i) the amount of cash to which the Holders would have been entitled had the Company elected to pay all or such specified percentage, as the case may be, of the Change in Control Repurchase Price of such Notes in cash by (ii) 95% of the average of the Closing Prices per share of Common Stock for the five consecutive Trading Days immediately preceding and including the third Trading Day prior to the Change in Control Repurchase Date, subject to the next succeeding paragraph.

The Company will not issue a fractional share of Common Stock in payment of the Change in Control Repurchase Price. Instead the Company will pay cash for the value of the

fractional share. The value of a fraction of a share shall be determined by multiplying (i) 95% of the average of the Closing Prices per share of Common Stock for the five consecutive Trading Days immediately preceding and including the third Trading Day prior to the Change in Control Repurchase Date by (ii) such fraction and rounding the product to the nearest whole cent. It is understood that if a Holder elects to have more than one Note purchased, the number of shares of Common Stock shall be based on the aggregate amount of Notes to be purchased.

Upon the delivery by the Company to the Holders of the full number of the shares of Common Stock into which the Notes are convertible, together with cash payment, if any, for the cash portion of the Change in Control Repurchase Price or the Holders' fractional shares, the obligation of the Company to pay the principal amount of the Notes and any accrued and unpaid interest thereon shall be deemed satisfied. Accrued and unpaid interest shall be deemed paid in full rather than cancelled, extinguished or forfeited.

The Company's right to exercise its election to repurchase the Notes pursuant to Section 3.10 through the issuance of shares of Common Stock shall be conditioned upon:

(i) The shares of Common Stock to be issued upon repurchase of Notes hereunder:

(A) shall not require registration under any federal securities law before such shares may be freely transferable without being subject to any transfer restrictions under the Securities Act upon repurchase or, if such registration is required, such registration shall be completed and shall become effective prior to the Change in Control Repurchase Date; and

(B) shall not require registration with, or approval of, any governmental authority under any state law or any other federal law before shares may be validly issued or delivered upon repurchase or if such registration is required or such approval must be obtained, such registration shall be completed or such approval shall be obtained prior to the Change in Control Repurchase Date.

(ii) The shares of Common Stock to be listed upon repurchase of Notes hereunder are, or shall have been, approved for listing on the Nasdaq National Market or the New York Stock Exchange or listed on another national securities exchange, in any case, prior to the Change in Control Repurchase Date.

(iii) All shares of Common Stock which may be issued upon repurchase of Notes will be issued out of the Company's authorized but unissued Common Stock and will, upon issue, be duly and validly issued and fully paid and nonassessable and free of any preemptive or similar rights.

If any of the conditions set forth in clauses (i) through (iii) of this Section 3.10(f) are not satisfied in accordance with the terms thereof, the Change in Control Repurchase Price shall be paid by the Company only in cash.

(g) The Company shall repurchase from the Holder thereof, pursuant to this Section 3.10, a portion of a Note if the principal amount of such portion is \$1,000 or a whole multiple of \$1,000. Provisions of this Indenture that apply to the repurchase of all of a Note also apply to the repurchase of such portion of such Note.

(h) The Company shall deposit cash (in respect of a cash repurchase under Section 3.10(e) or for fractional interests, as applicable) or shares of Common Stock, or a combination thereof, as applicable, at the time and in the manner as provided in Section 3.12, sufficient to pay the aggregate Change in Control Repurchase Price of all Notes to be purchased pursuant to this Section 3.10. As soon as practicable after the Change in Control Repurchase Date, the Company shall deliver to each Holder entitled to receive Common Stock through the Paying Agent, a certificate for the number of full shares of Common Stock issuable in payment of the Change in Control Repurchase Price and cash in lieu of any fractional interests. The person in whose name the certificate for Common Stock is registered shall be treated as a holder of record of shares of Common Stock on the Business Day following the Repurchase Date. No payment or adjustment will be made for dividends on the Common Stock the record date for which occurred on or prior to the Change in Control Repurchase Date.

(i) If a Holder of a Note is paid in Common Stock, the Company shall pay any documentary, stamp or similar issue or transfer tax due on such issue of shares of Common Stock. However, the Holder shall pay any such tax which is due because the Holder requests the shares of Common Stock to be issued in a name other than the Holder's name. The Paying Agent may refuse to deliver the certificates representing the Common Stock being issued in a name other than the Holder's name until the Paying Agent receives a sum sufficient to pay any tax which will be due because the shares of Common Stock are to be issued in a name other than the Holder's name. Nothing herein shall preclude any income tax withholding required by law or regulations.

SECTION 3.11 Effect of Change in Control Repurchase Notice. Upon receipt by the Paying Agent of the Change in Control Repurchase Notice specified in Section 3.10(c), the Holder of the Note in respect of which such Change in Control Repurchase Notice was given shall (unless such Change in Control Repurchase Notice is withdrawn as specified in the following two paragraphs) thereafter be entitled to receive solely the Change in Control Repurchase Price with respect to such Note. Such Change in Control Repurchase Price shall be paid to such Holder, subject to receipt of consideration for the Notes and/or Notes from the Holders by the Paying Agent, promptly following the later of (x) the Change in Control Repurchase Date with respect to such Note (provided the conditions in Section 3.10(c) have been satisfied) and (y) the time of delivery of such Note to the Paying Agent by the Holder thereof in the manner required by Section 3.10(c). Notes in respect of which a Change in Control Repurchase Notice has been given by the Holder thereof may not be converted pursuant to Article 10 hereof on or after the date of the delivery of such Change in Control Repurchase Notice unless such Change in Control Repurchase Notice has first been validly withdrawn as specified in the following two paragraphs.

A Change in Control Repurchase Notice may be withdrawn by means of a written notice of withdrawal delivered to the office of the Paying Agent in accordance with the Change

in Control Repurchase Notice at any time prior to the close of business on the Change in Control Repurchase Date, specifying:

- (1) the certificate number of the Note in respect of which such notice of withdrawal is being submitted (or, if the Notes are not certificated, the withdrawal notice must contain information required to comply with appropriate DTC procedures),
- (2) the principal amount of the Note with respect to which such notice of withdrawal is being submitted, and
- (3) the principal amount, if any, of such Note which remains subject to the original Change in Control Repurchase Notice and which has been or will be delivered for repurchase by the Company.

There shall be no repurchase of any Notes pursuant to Section 3.10, if there has occurred (prior to, on or after, as the case may be, the giving, by the Holders of such Notes, of the required Change in Control Repurchase Notice) and is continuing an Event of Default (other than a default in the payment of the Change in Control Repurchase Price with respect to such Notes). The Paying Agent will promptly return to the respective Holders thereof any Notes (x) with respect to which a Change in Control Repurchase Notice has been withdrawn in compliance with this Indenture, or (y) held by it during the continuance of an Event of Default (other than a default in the payment of the Change in Control Repurchase Price with respect to such Notes) in which case, upon such return, the Change in Control Repurchase Notice with respect thereto shall be deemed to have been withdrawn.

**SECTION 3.12 Deposit of Change in Control Repurchase Price.** Prior to 11:00 a.m. (New York City time) on the Business Day following the Change in Control Repurchase Date the Company shall deposit with the Trustee or with the Paying Agent (or, if the Company or a Subsidiary or an Affiliate of either of them is acting as the Paying Agent, shall segregate and hold in trust as provided in Section 2.04) an amount of money (in immediately available funds if deposited on such Business Day) or Common Stock, or a combination thereof, if permitted hereunder, sufficient to pay the aggregate Change in Control Repurchase Price of all the Notes or portions thereof which are to be repurchased as of the Change in Control Repurchase Date. The manner in which the deposit required by this Section 3.12 is made by the Company shall be at the option of the Company.

**SECTION 3.13 Notes Repurchased in Part.** Any Note which is to be repurchased only in part shall be surrendered at the office of the Paying Agent (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing) and the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Note, without service charge, a new Note or Notes, of any authorized denomination as requested by such Holder in aggregate principal amount equal to, and in exchange for, the portion of the principal amount of the Note so surrendered which is not repurchased.

SECTION 3.14 Covenant to Comply with Securities Laws upon Purchase or Repurchase of Notes. In connection with any offer to purchase or repurchase of Notes under Section 3.10 hereof (provided that such offer or purchase constitutes an "issuer tender offer" for purposes of Rule 13e-4 (which term, as used herein, includes any successor provision thereto) under the Exchange Act at the time of such offer or purchase), the Company shall (i) comply with Rule 13e-4, Rule 14e-1 and any other tender offer rules under the Exchange Act which may then be applicable, (ii) file the related Schedule TO (or any successor schedule, form or report) or any other schedule required under the Exchange Act, and (iii) otherwise comply with all federal and state securities laws so as to permit the rights and obligations under Section 3.10 to be exercised in the time and in the manner specified in Section 3.10.

SECTION 3.15 Repayment to the Company. The Trustee and the Paying Agent shall return to the Company any cash or shares of Common Stock that remain unclaimed as provided in paragraph 13 on the reverse side of the Notes, together with interest or dividends, if any, thereon, held by them for the payment of the Change in Control Repurchase Price; provided, however, that to the extent that the aggregate amount of cash or shares of Common Stock deposited by the Company pursuant to Section 3.12 exceeds the aggregate Change in Control Repurchase Price of the Notes or portions thereof which the Company is obligated to repurchase as of the Change in Control Repurchase Date then promptly after the Business Day following the Change in Control Repurchase Date, the Trustee shall return any such excess to the Company together with interest or dividends, if any, thereon.

#### ARTICLE 4 COVENANTS

SECTION 4.01 Payment of Principal and Interest on the Notes. The Company will duly and punctually pay the principal of and interest at the Interest Rate in respect of the Notes in accordance with the terms of the Notes and this Indenture. The Company will deposit or cause to be deposited with the Trustee as directed by the Trustee, no later than 11:00 a.m., New York time on the day of the Stated Maturity of any Note or installment of interest, all payments so due. Principal amount, Provisional Redemption Price, Change in Control Repurchase Price, and interest shall be considered paid on the applicable date due if at 11:00 a.m., New York time on such date (or, in the case of a Change in Control Repurchase Price, on the Business Day following the applicable Change in Control Repurchase Date), the Trustee or the Paying Agent holds, in accordance with this Indenture, money or Common Stock, if permitted hereunder, sufficient to pay all such amounts then due.

The Company shall, to the extent permitted by law, pay cash interest on overdue amounts at the rate per annum set forth in paragraph 1 on the reverse side of the Notes, compounded semiannually, which interest shall accrue from the date such overdue amount was originally due to the date payment of such amount, including interest thereon, has been made or duly provided for. All such overdue interest shall be payable on demand.

SECTION 4.02 Commission and Other Reports. The Company shall file with the Trustee, within 15 days after it files such annual and quarterly reports, information, documents and other reports with the Commission, copies of its annual report and of the

information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may by rules and regulations prescribe) which the Company is required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act. If at any time the Company is not subject to Section 13 or 15(d) of the Exchange Act, such reports shall be provided at the times the Company would have been required to provide reports had it continued to be subject to such reporting requirements. The Company also shall comply with the other provisions of TIA Section 314(a).

**SECTION 4.03 Compliance Certificate.** The Company shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company (beginning with the fiscal year ending on April 30, 2007) an Officers' Certificate, stating whether or not to the best knowledge of the signers thereof the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture (without regard to any period of grace or requirement of notice provided hereunder) and if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge.

**SECTION 4.04 Further Instruments and Acts.** Upon request of the Trustee, the Company will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purposes of this Indenture.

**SECTION 4.05 Maintenance of Office or Agency.** The Company will maintain in the Borough of Manhattan, the City of New York, an office or agency of the Trustee, Registrar, Paying Agent and Conversion Agent where Notes may be presented or surrendered for payment, where Notes may be surrendered for registration of transfer, exchange, repurchase, redemption or conversion and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The office of U.S. Bank Trust National Association, located at 100 Wall Street, 16<sup>th</sup> Floor, New York, New York, 10005, attention: Corporate Trust Administration, shall initially be such office or agency for all of the aforesaid purposes. The Company shall give prompt written notice to the Trustee of the location, and of any change in the location, of any such office or agency (other than a change in the location of the office of the Trustee). If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the address of the Trustee set forth in Section 13.02.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York, for such purposes.

**SECTION 4.06 Delivery of Certain Information.** At any time when the Company is not subject to Section 13 or 15(d) of the Exchange Act, upon the request of a Holder or any beneficial holder of Notes or shares of Common Stock issued upon conversion thereof, the Company will promptly furnish or cause to be furnished Rule 144A Information (as defined below) to such Holder or any beneficial holder of Notes or holder of shares of Common Stock issued upon conversion of Notes, or to a prospective purchaser of any such security designated by any such holder, as the case may be, to the extent required to permit compliance by such

The successor person formed by such consolidation or into which the Company is merged or the successor person to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor had been named as the Company herein; and thereafter, except in the case of a lease and obligations the Company may have under a supplemental indenture pursuant to Section 10.11, the Company shall be discharged from all obligations and covenants under this Indenture and the Notes.
